

\$50 Winner of “Who Are They?” Contest from January 2012

As you can see, the readers who send in their entries are such a cross section of South Florida—from Miami to Jupiter. Each month we seem to receive a lot of entries by mail, email and fax. And this month, as well, we received an enormous amount of entries to our “Who Are They” contest. Maybe it is the sign of the times. Thanks for reading *BoomerTimes* and entering our contests.

The correct answer this month is **Mary Weinstein, CFA**, Total Medical Healthcare Services and **Dr. Sandro Bacchelli**, Founder of Hollywood Medical Clinic/La Clinique Soleil. Unfortunately, we can only choose one lucky winner, **Congratulations to Mildred Wallerstein from North Miami Beach** who correctly answered the question and is the **winner of \$50**.
